

# New El-Quds International School

## Dear Parents

Welcome back to school to all our QAS family! I hope everyone-one had a refreshing and relaxing summer and is as excited about this school year as I am. One of the elements of an effective School is to maintain high expectations of students both inside and outside the classroom. Since the start of the year, my expectation has been that all students wear the proper school uniform every day. We need your help to ensure that your QAS student is wearing the proper school uniform, I expect every student to be on time to school so that he/she has time to prepare for the day.

In the future, over the past few weeks, QAS teachers have been very busy working on designing virtual school lessons to be posted on the website. We hope that you would also assist your QAS student in maintaining contact with their teachers and to ensure that their daily work is completed.

Thank you for your support in maintaining high standards for behavior and student learning QAS.

## Welcome Back to School

The welcome back to school is designed to welcome our students for the new year and orientate our new students throughout school, with the help of our school headmistress & Student counselor keeping in mind to take the needed precautions and safety measures that well suits the current situations.

**School Year 2020/2021**

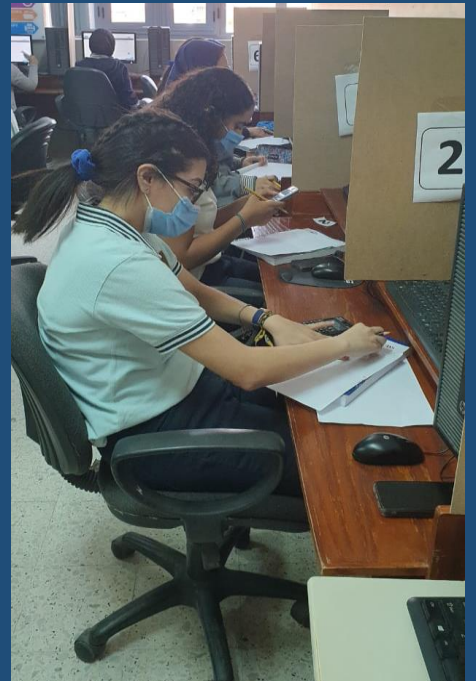

## A large computer lab with students at workstations. The wall features a collage of technology-related terms and a poster titled 'COMPUTER LAB RULES'. The terms include: Memory, Output, Storage, Input, Hard Ware, APPS, cloud, COMPILING, DEVELOPMENT, CONNECTION, SOFTWARE, ONLINE, NETWORK, WWW, HTML, Database, Google, Microsoft, Adobe, Design, Graphics, and SYSTEM. The poster lists 10 rules: 1. WHEN YOU ENTER, 2. EARN, 3. OPERATION IS EXPECTED, 4. BE POSITIVE ATTITUDE &amp; , 5. BE LITUAL RESPECT ARE PART OF, 6. VERYTHING WE DO &amp; SAY, 7. , 8. , 9. , 10. .

In the ACT preparation session teachers are focused to prepare students to ace the test by providing them how to efficiently finish the test on time, tips and tricks that mostly occurs.

With Determination and persistence,  
you will succeed.

## 6th of October Lecture

During the first quarter a lecture about the historical accomplishment was presented by Our host about the importance of what happened that day, what made it possible.

## Women rights lecture

On 2-12-2020 a team of experts in woman's rights from the national council for woman have visited our school to share their knowledge and awareness with students about different issues and problems that a woman faces in our society and how this organization protect their right.
